PRINCIPAL AUTHORS:

HON. TERRENCE F. ALIBARBAR

and

HON. ERNESTO C. ISIP, JR.
Majority Floor Leader

WHEREAS, in a letter dated January 10, 2025, Mr. Wang Yanjun, Project Manager, Package 1 Project, China International Water and Corp. requested from City Engineer Moises G. Alcantara, Department of Engineering and Public Works (DEPW), Manila, an excavation permit for the project entitled: NR-24-PDS-MNL-01:2024 Partial Pipe Replacement of 1350 mm SP to 2000 mm WM along Gerardo Tuazon Street, Lacson Avenue, Quirino Avenue and Osmeña Highway from Vicente G. Cruz Street to San Andres for HS SBGP32, in Manila City, under Manila B.A.;

WHEREAS, through official processes, the request for issuance of an excavation permit reached the consideration of this Sanggunian which allowed itself to constitute into a Committee of the Whole to tackle and deliberate on the subject matter and, as the proceedings went along, it was learned that the proponent has submitted relevant documents and complied with the necessary requirements for the project;

WHEREAS, this Body interposed no objection to the proposed project, subject to compliance to the conditions set forth by the approving authorities, to wit:

1. Compliance on all the requirements, conditions and guidelines set forth by all national and local agencies and all other applicable and necessary provisions to existing laws, rules, ordinances, and regulations relative to the implementation of the project;

2. Strict compliance with all the prohibited acts and any violations thereof will result to the revocation of the issued certificate;

3. Compliance with the agreed upon working hours and if need arises, they shall seek approval from the barangay concerned for the extra or overtime hours;

4. Compliance with all national/local government taxes and fees and shall likewise secure the necessary permit and license;

5. Compliance with the agreed upon arrangement on the restoration of all excavated areas to a better, it not improved condition prior to the excavation; and

6. This Sanggunian reserves the right to revoke this excavation permit should it be found out that there had been misrepresentations submitted in the application or plans on which this permit was based.

NOW, THEREFORE, be it

RESOLVED, by the City Council of Manila to interpose, as it hereby interposes no objection and recommending the approval of the excavation permit of China International Water and Electric Corp. on the proposed project entitled: NR-24-PDS-MNL-01:2024 Partial Pipe Replacement of 1350 mm SP to 2000 mm WM along Gerardo Tuazon Street, Lacson Avenue, Quirino Avenue and Osmeña Highway from Vicente G. Cruz Street to San Andres for HS SBGP32, in Manila City, under Manila B.A.; and be it FURTHER

RESOLVED, that copies of this Resolution be furnished to the Chief Executive of the City, the Department of Engineering and Public Works (DEPW), the City Planning and Development Office (CPDO), the Manila Traffic and Parking Bureau (MTPB), all barangays involved and other concerned agencies for their information and guidance.
