the City Treasury to cover the amount herein appropriated or any portion thereof, the Mayor of Manila is hereby authorized to negotiate and enter into contract with any suitable person, firm or corporation for the construction or prosecution of the public works herein authorized, subject to the following conditions:

- a) The public works or street improvement projects herein mentioned shall be undertaken strictly in accordance with the plans and specifications prepared or approved by the City Engineer of Manila and any and all works shall be subject to the supervision, inspection and approval of the City Engineer;
- b) The project shall be done by a suitable contractor utilizing his own funds on a guaranteed deferred payment basis;
- c) The payment by the City of Manila of the cost of the project shall be made on annual installment basis; PROVIDED, That the annual installment payments shall be for a period of not less than five years nor more than twenty years;
- d) That all the interests and charges on the amount to be spent in the construction of a project shall be taken from the unappropriated funds of the City and shall not exceed 8% per annum, including the cost of any bank guaranty that may be required, which shall not exceed 1% of the amount guaranteed, per year; and
- e) The expenses of the projects, or any portion or portions thereof, must not exceed the estimates prepared by the City Engineer and approved by the City Mayor.

SEC. 3. This ordinance shall take effect upon its approval.

Enacted by the Municipal Board of the City of Manila at its regular session today, April 8, 1968.

Approved by His Honor, the Mayor, on *May 22, 1968*
