A-3. Rice and corn. - The tax on the business of importing, wholesaling, or retailing of, or dealing in, rice and corn, including rice and corn millers also engaged in the wholesaling or retailing of said cereals, shall be one-fourth of the maximum rates prescribed under paragraph A-1 above:

PROVIDED, HOWEVER, That for purposes of collection of this tax, manufacturers and producers maintaining or operating branch or sales offices elsewhere shall record the sale in the branch or sales office making the sale, and the tax thereon shall accrue to the City of Manila if the branch or sales office is in Manila. In cases where there is no such branch or sales office in the city the sale shall be duly recorded in the principal office along with the sales made in said principal office. Sixty per cent of all sales recorded in the principal office shall be taxable by the City of Manila if the principal office is in Manila, while the remaining forty per cent shall be deemed as sales made in the factory and shall be taxable by the local government where the factory is located.

In cases where a manufacturer or producer has factories in Manila and in different localities, the forty per cent sales allocation mentioned in the next preceding paragraph shall be pro-rated among the City of Manila and the localities where the factories are situated in proportion to their respective volumes of production during the period for which the tax is due.

The foregoing sales allocation shall be applied irrespective of whether or not sales are made in the locality where the factory is situated.

C-1. Should a contractor undertake to furnish the materials and labor in the construction work, the costs of such materials and labor shall be deducted from his gross receipts for the purpose of determining the tax due from him under the preceding paragraph.

PROVIDED, HOWEVER, That in the case of a newly started business falling under paragraphs A, A-1, A-2, B or C provided hereinabove, the tax shall be fixed by the quarter. The initial tax for the quarter in which the business starts to operate shall not exceed one-fourth of one-tenth of one per cent of the capital investment. However, in the succeeding quarter or quarters, in case the business opens before the last quarter of the year, the tax shall be based on the gross sales for the preceding quarter at three-eighths (3/8) of the rate fixed therefor by the pertinent schedule as may be applied in relation with paragraph A-3 above. In the succeeding calendar year, regardless of when the business started to operate, the tax shall be based on the gross sales for the preceding calendar year, or any fraction thereof, as provided by the same schedule.

In cases where a person conducts or operates two or more of the related businesses mentioned in any one of said paragraphs A, A-1, A-2, B or C, which are subject to the same rate of imposition, the computation of the tax shall be based on the combined total gross sales of the said two or more related businesses.

In cases where a person operates any of the businesses mentioned in any one of paragraphs A, A-1, A-2, B or C above together with any of the businesses for which fixed taxes are already provided for, the sales or receipts of the latter shall not be included in the sales or receipts of the former for the purpose of computing the taxes due under said paragraphs.

A business subject to the graduated fixed tax based on gross sales and/or receipts shall, upon termination thereof, submit a sworn statement of its gross sales and/or receipts for the current year. If the tax paid

during the year be less than the tax due on said current year gross sales and/or receipts, the difference shall be paid before the business is considered officially retired.

AND PROVIDED, FURTHER, That in cases where the tax imposed on any business exceeded 70% of the maximum rate prescribed therefor, tax credit shall be granted to the taxpayer who has paid at least the full amount of the first quarter installment for the calendar year 1974. The tax credit herein granted shall be applied to future business tax obligation of the same taxpayer in not more than four equal quarterly installments as may be judiciously determined by the Secretary of Finance.

In no case, however, shall tax credit be given to a taxpayer if the amount of the annual or quarterly tax paid by him during the first quarter of calendar year 1974 is equal to, or less than, the annual tax or the highest quarterly tax, as the case may be, paid by him for the same business in calendar year 1973.

Any remaining portion of the tax credit herein granted shall be forfeited in favor of the city in the event the business terminates operations in Manila. As soon as the total amount credited to the taxpayer pursuant hereto shall have been fully applied, this provision shall no longer apply.

For purposes hereof, the taxpayer shall file with the city treasurer a claim in writing duly supported by evidence of payment on or before June 30, 1974, after which date no claim for tax credit shall be entertained.
