## **EXPLANATORY NOTE**

On December 8, 2009, the Sangguniang Panlungsod ng Maynila enacted City Ordinance No. 8206, entitled: "AN ORDINANCE ESTABLISHING A DISTRICT HOSPITAL IN THE SIXTH DISTRICT OF MANILA, DEFINING ITS FUNCTIONS AND PROVIDING FOR ITS ORGANIZATIONAL STRUCTURE, AND FOR OTHER PURPOSES". The ordinance was approved by the Mayor on December 29, 2009.

Section 2 of the stated City Ordinance provides that a Level 3 specialty trauma center hospital shall be established in the Sixth District of Manila. The said hospital is known as the STA. ANA HOSPITAL.

During the early stages of its operations, Sta. Ana Hospital was given a license to operate as a Level 2 Hospital by the Department of Health. The Hospital has a three hundred (300) bed capacity which is not compliant with the Level 3 classification set by the Department of Health.

The Sta. Ana Hospital has been doing its part in recent years in the provision of basic health services as well as spearheading the fight during the dreadful COVID-19 pandemic. The hospital has immensely improved in terms of providing healthcare services to the residents of the City of Manila.
